My Test Pilot

On-Line Testing System

Enhance Testing & Learning for
Students & Teachers

Administrators & Teachers:

Many of you have been faced with the problem of finding a quick and easy way to identify and assess student learning. The Center of Academic Excellence is pleased to announce *My Test Pilot*, an economical on-line testing system developed to enhance the testing and learning process for students and teachers.

My Test Pilot Advantages:

- **Economical** – Saves staff time and materials – no need for preparing, copying, and correcting
- **Secure** – System designed with security and access control as a major feature
- **Factual** – Student testing data aids in data driven decision making
- **Easy to Use** – Subscription based system – no need for local hardware or software only an Internet browser or Internet access
- **Resourceful** – Reports on test results can be accessed by school administrators and teachers
- **System Support** – Available for Mac/Windows/Linux/ Handheld/IE/Netscape/Firefox/Safari/Cell phone

Advantages Continued:

- **Unique Essay Feature** – Allows essay to be graded on-line by the teacher
- **Quick** – Identify and assess student learning in less time
- **Easy** – Tests may be taken from handheld computers, laptops, or workstations
- **Versatile** – Test may be taken in the class room or at home
- **Resourceful** – A number of test types are available including teacher administrated or independent
- **Adaptable** – Questions and answers can be text or multimedia (graphics) and teachers can allow students to use tests as study tools
- **Secure** – Answer order can vary in placement from student to student; question order can vary from student to student
- **Factual** – Provides true student analysis – reduces student's ability to cheat
- **Fun & Competitive** – School to school classroom challenges can be created and reported
